+ Passion for staying up-to-date with emerging trends

Education

University of Auckland
Master in Economics

2013 - 2014 · Auckland

My dissertation focused on analyzing the causes and effects of business cycles, as well as exploring alternative monetary systems that promote economic growth and stability.

University of Auckland
Bachelor(Honours) in Economics

2013 · Second Class Honours · Auckland

University of Auckland
Bachelor in Accounting and Finance

2009 - 2013 ·· Auckland

Experience

Tsui Fook Kam Limited - Department Manager

2016 - 2022 · Shenzhen · China

- Managed multiple departments within a family business, gaining valuable experience in project management, team collaboration, and effective communication.
- Developed and managed the e-commerce department, overseeing the creation and implementation of an online ordering system that streamlined operations and improved customer satisfaction.
- Coordinated with internal teams and external vendors to ensure timely and accurate delivery of products and services, maintaining excellent relationships with all stakeholders.

Morningstar · Fund Data Analyst

2015 - 2016 · Shenzhen · China

- Conducted detailed research and analysis of mutual funds and ETFs to support Morningstar's investment research and analysis tools.
- Developed and maintained accurate data sets on global fund portfolios, performance, and expenses, collaborating with other Morningstar offices to ensure data accuracy and relevance.
- Utilized strong analytical skills to identify trends and insights in the data, presenting findings to senior management and providing high-quality customer service to clients.

Projects

www.zofycasper.com

2023 - Present

- My personal profile page.
- The portfolio features several projects that I developed both as coding exercises and tools that I use personally. These projects demonstrate my proficiency in coding and showcase my ability to design and build practical solutions.
